To Whom it May Concern,

In the process of updating files, we have discovered that we do not have current information from your agency. We would appreciate receiving material which describes your funding program(s) and priorities, application guidelines, and a list of currently funded projects if available. Also, if you require a specific application form, please include this with the above material.

For your convenience, I have enclosed a self-addressed mailing label. Your consideration of this request is appreciated. Thank you.

Cordially,

Tracy Bring
